## About us

---

Global foreign exchange provider offering a one-stop shop solution to independent financial advisers moving money into and out of South Africa. Our company offers the following benefits: free SARS tax clearances in one to two days, great exchange rates, no international transfer fees and free countrywide courier service.

Exchange4free offers a quick, easy and hassle-free experience for clients ensuring that money can be transferred overseas at the very best exchange rates and lowest costs in the market.

## Value proposition

---

Free SARS tax clearances, great exchange rates (we will beat any genuine quote!), no international transfer fees, free countrywide courier collection service, processing of direct SARB applications, offshore and overseas banks accounts, emigration allowances, moving non-resident funds overseas.

## Services or products offered

---

Global foreign exchange and money transfer services:

- R4m foreign investment allowance: free SARS tax clearances with great exchange rates and no international transfer fees.
- R1m travel allowance: great exchange rates, no transfer fees and offshore or overseas bank accounts (where required).
- Emigration allowances: formal emigration services including processing of SARS and SARB application forms and management of blocked rand accounts, currency conversions and transfers overseas.
- R1m discretionary allowances: gift, study, maintenance and other allowances under the annual discretionary allowance available to private individuals.
- Non-resident allowances: funds brought into SA from abroad are freely remittable back out of SA and income earned in SA by a non-resident is also freely remittable out of the country. Exchange4free processes these applications to the SARB including great exchange rates and free international transfers once authorised.
