## About us

---

Lightbulb Learning and Training is an industry leader in training financial planners. Lightbulb Learning and Training was founded to fulfil the need for specialised training in the academic and practical arenas of financial planning. Our methodology and approach to the subject matter is a comprehensive programme offering incredibly comprehensive presentations, notes and the application of theoretical principles through the use of extensive case studies. We endeavour to bring a scientific approach to the teaching of the wide spectrum of topics that comprise the field of financial planning.
