

Investment service consultant

2026

Are you ready to be at the forefront of Allan Gray's client experience?

As an investment service consultant at Allan Gray, you will work directly with investors and financial advisers to resolve investment-related queries with accuracy, professionalism and sound judgment. You will build deep expertise across investments, operations and client engagement in a high-performance, real-world environment.

For more information, [visit our website](#)

Purpose of the role

You will be part of a team that is committed to delivering exceptional client experiences and upholding Allan Gray's long-term investment philosophy. This role provides the opportunity to develop strong technical capabilities and professional credibility in an environment that values independent thinking, attention to detail and accountability. You will be supported and challenged to grow, while being trusted with real responsibility from early on.

As part of our team, you will benefit from

- Structured training in investments, operations and client servicing
- Continuous coaching and mentorship from experienced leaders
- A culture focused on excellence, accountability and long-term thinking
- Exposure to best-in-class practices within a leading asset manager and investment platform
- Developing highly transferable skills in communication, problem-solving and financial acumen
- A high-performance environment that balances challenges with meaningful support
- A strong career foundation with clear progression pathways

Qualifications

- A bachelor's degree (Bachelor of Commerce, Bachelor of Business Science, etc.)
- Specialisations in Investment Management, Finance, Economics, Statistics, Business Management and related fields
- You can apply if you are in your final year of study or have completed your qualification (with up to three years of work experience)

Skills, competencies and experience

- A strong interest in investments and financial markets
- A client-centric mindset with a solutions-oriented approach
- High personal standards and a strong sense of ownership
- Excellent verbal and written communication skills
- Adaptability and resilience in a fast-paced, high-expectation environment
- A genuine commitment to continuous learning and professional development
- Proficiency in Microsoft Office suite
