

THE RECRUITMENT COUNCIL

About us

With over 21 cumulative years of recruitment, financial services and insurance experience The Recruitment Council is the first hyper specialist recruitment firm in South Africa with a focus on delivering top talent and recruitment services to financial service providers in South Africa.

The niche categories that we focus on are:

- Local investments and offshore wealth
- Risk assurance
- Short-term commercial and personal lines
- Fiduciary and estate planning
- Investment banking
- Corporate and employee benefits

Our services are exclusively offered to FSP's licensed with the FSCA.

Value proposition

The Recruitment Council is at the pulse of the insurance, wealth and advisory sector, being an expert firm that understands the challenges the regulatory environment presents financial service providers in South Africa such as:

- Barrier to entry
- Class of business
- Retail Distribution Review (RDR)
- Annual CPD points
- Key individual requirements
- Date of first appointment (DOFA)
- Supervision requirements for representatives
- License categories
- Qualification requirements
- Fit and proper requirements

Services offered

Our team of national recruiters and specialists are exceptionally accomplished and technically sound to deliver a superior end to end recruitment service to FSP's. Some of the roles that we focus on and specialise in is: CEOs and MDs, CFAs and CFPs, regional and sales managers, key individuals, national sales managers, general managers, compliance positions, directors, underwriters and claims staff, personal and commercial short-term advisors and staff, technical brokers, financial planners and wealth managers, offshore investment specialists, paraplanners, financial advisor assistants, back office and support staff, business development consultants, call centre staff, estate planning and fiduciary support.
