

MOONSTONE BUSINESS SOLUTIONS / VIDEOSIGN**About us**

Moonstone Business Solutions distributes and supports Videosign in Africa and the Indian Ocean islands.

Value proposition

Clients will experience simplified online meeting and signing, enhanced practice efficiencies, lower costs, improved compliance processes and higher client retention.

Services offered

Videosign is an internet video meeting and signing service. It allows financial advisers to engage and transact with their clients online. With robust compliance and engagement flexibility features, the service ensures that advisers manage the advice process, close more business and improve customer satisfaction.
